Order Desk Brittany Stubbs Inside Sales Phone: (801) 208-1459 Email: brittany.stubbs@landesk.com	LANDesk Software, Corporate Office 698 W. 10000 South, Suite 500 South Jordan, UT 84095 Term: December 7, 2009 – December 31, 2014

LANDesk Software publishes proprietary asset management and enterprise patch agreement software. This contract award is intended to provide a direct means for State of Alaska executive branch, legislative branch, and court system agencies along with political subdivisions of the state to purchase the following LANDesk products, maintenance, and services:

- 1) **LANDesk Branded Software:** All of LANDesk's proprietary software is included in this contract. Contact the Order Desk for pricing and ordering information.
- 2) **Software Maintenance:** All software maintenance available from LANDesk is included in this contract. Contact the Order Desk for pricing and ordering information.
- 3) **LANDesk Support and Professional Services:** Support services and professional services available from LANDesk are included in this contract as long as those services comply with the Master Software License and Support Agreement (Exhibit B: Support and Professional Services), which is attached with this contract award documentation.

Pricing: Contact the LANDesk Order Desk for all pricing associated with this contract, please contact the following contracting officer:

Jason Grove, CPPB
